Over the coming months there will be several different **building works** taking place in and around the church and presbytery. These works include minor improvements to the church (e.g. sound-proofing the confessional and installing a more up-to-date sound system), and necessary maintenance (e.g. rendering and repainting the presbytery). Whilst every care is being taken to ensure minimum disruption to the daily life of the church, we would ask for your patience and understanding on the occasions that the work may prove inconvenient. If you have any questions, please feel free to speak to Fr Paul, Cathy Gunnell or another member of the building group
